“SERVICE ABOVE SELF”

Our Commitment to Youth!

The Rotary Club of Whittier is proud to host the Whittier Rotary All Star High School Baseball and Softball Games, through the generosity of our sponsors whose support makes this event possible! This is a major fundraiser for the Rotary Club of Whittier for 2006-2007. As always, our proceeds go to funding the event and continuing the operations of our club which is comprised of a 100% volunteer group of business men and women throughout the Community.

The Rotary Club of Whittier has had a prominent history of providing leadership as well as monetary gifts to well deserved youth oriented organizations and projects such as the YMCA, the Boys and Girls Club, Boy Scout Troops, sponsorships of Camp Arbolado. In addition we also provide scholarships and recognize outstanding high school and college students. The members of the Rotary Club of Whittier truly exemplify our Motto of “Service Above Self”!

It is important to our members to recognize the many outstanding contributions of today’s young people. With the help and input of the local high schools involved in these All Star Games, it is our hope to continue this annual community event celebrating the youth of our community!

On behalf of the Rotary Club of Whittier, I would like to give my heartfelt thanks to the schools, coaches, athletes and their parents and to our sponsors. Because of you, thousands of dollars have been raised through your generous support of this event! Your continued contributions are very much appreciated!

ROTARY CLUB OF WHITTIER

Boys High School Baseball All-Star Classic & Girls High School All-Star Softball Games

June 1, 2007

Welcome to the Eleventh Boys and Fifth Girls Annual Whittier Rotary High School All-Star Games.

Yes, it's our eleventh game for boys' baseball and the fifth for girls' softball. We feel the games now have their kinks worked out and are looking forward to a competitive game from both.

The Rotary Club of Whittier stands firm in the belief that these games are a positive way for Rotary to reach out to our local High School seniors and showcase not only their talent but also the Rotary way.

We would like to thank our entire Rotary All-Star committee: Curt James, LaDonna Munier, Maria Segovia, R.D. McDonnell, Jeff Nickell, Charlene Dimas-Peinado, Joe Baima, Harry Jacobs, Tim Keller, Derek Johnson and Brenda Torres. They have all worked very hard to make the games a reality.

The Whittier Rotary Club is proud to showcase our local high school talent and send the seniors off with a first class banquet and game. Now in our eleventh year of the baseball game, we have past players playing in the pros and many Division I, II and III college programs. Some of the girls are now off and playing at Division I & II colleges. We wish all the best to our players, both current and past. Our hopes are that these seniors will remember it's important to give back to the community where they live. We are proud that new Rotarian, Derek Johnson can say, "I played in that game".

We know it's risky to name people individually, but we felt the committee deserved special recognition. This year's program is spectacular and the committee and our fellow Rotarians should be recognized. A special thank you to all our sponsors who, not only this year but also in past years, have given their efforts and financial support to this game. One last thanks to all of the coaches and athletic directors who have assisted us to make sure this year's games are a success. We know the players will always remember their Rotary All-Star game experience.

Best wishes and bright futures for all our players and their coaches.
