Christiane Salts

Christiane Salts, author of the recently published "Cordelia Knott: Pioneering Business Woman" regaled the club with the biographical details of Cordelia's life and her role in developing the now famous chicken restaurant at Knott's Berry Farm. We learned that the restaurant came first and in order to keep the restaurant patrons entertained while they waited, Walter Knott began developing some attractions. Christiane Salts is the President-Elect of the Buena Park Club and is married to Rotarian Dennis Salts also of the Buena Park club.
